Workshop Descriptions:

Intro to FLASH classes

The new WCRL Rally Flash classes offer interesting new challenges and new ways to earn awards with dogs of all ages. Join us in for a morning where we examine the newly introduced exercises, and put some of these new, dynamic exercises on the floor to practice. Both Level 1 (on-leash) and Level 2 (off-leash) exercises will be explored. (And, if Level 3 info is announced prior to our seminar, we'll look at those too!)

This workshop is appropriate for dogs at any level of training

Smart handlers know that fundamentals are the key to those “fancy” moves—position changes at a distance, drop on recall, moving stands, straight backups, sidesteps, go-outs, & retrieves. *It's never too early* to lay the foundations for success with these moves. Equally, it's always worthwhile to go back and strengthen foundations for your dog.

Join in for a afternoon of using props to build behaviors and learning how to *successfully* fade the prop so your dog's performance is fantastic. We'll troubleshoot those places where you may be stuck in your prop work.

We will also explore how we can use props to fine tune skills needed to compete in FLASH.

This workshop is appropriate for dogs working at all levels of training, providing they understand how to learn in a room with other dogs.
