

September 3, 2017

Thank you for entering the September 30 – October 1, 2017 CPE Trial hosted by AgileDogs Agility Training. This is your final entry confirmation. With your help things will run smoothly; if everyone helps out the day will go faster. We hope you will have fun this weekend!

**Please note:** Please check your individual run information carefully, you will be receiving it shortly. You have until 6 pm on Tuesday, Sept 26th to email Trisha Stall [Trisha@agiledogs.net](mailto:Trisha@agiledogs.net) with your move ups and/or corrections. Any changes made after that date will incur a \$10 charge per change, regardless of whose error it was.

#### **Stockade Site details:**

1. It is absolutely required that you pick up after your dog. Failure to do so will result in being excused from the trial.
2. Bring your own chairs and shade; there will be a main shade tent, but it is only for dogs and people about to go into the ring for their runs.
3. Remember that ticks abound in this area, so be sure to check your dogs for ticks, especially if you walk them in the woods or edges of clearings.
4. Cars must be parked in designated areas, and may not be driven around the rings after the general briefing each day. PLEASE 5 MPH MAX ON THE TRIAL SITE! This includes the driveway.

#### **OVERNIGHT / RV PARKING:**

If you have signed up to camp overnight at Stockade, make sure you contact Pat Snyder, [stockadeagility@nycap.rr.com](mailto:stockadeagility@nycap.rr.com) to let her know the size of your RV and if you'll be using a generator or not. If you're staying in a tent or vehicle and indicated that on your form and have paid in full, you're all set and do not need to contact her. When you arrive, see Pat, who will escort you to your parking spot.

#### **Trial Format:**

One 100' x 100' rings will be used, and will be fully enclosed with entry/exit gates. Electronic timing will be used. We will be in the "back" ring – the one farthest from the driveway as you come in. Note that there will be a USDAA trial in the other ring at the trial (run by Stockade Agility).
