

Hello, Exhibitors! Thank you for entering RUN Up North Agility's **first inaugural "Super Bowl of Agility Games"** Trial. This is your entry confirmation. We are going to do our best to move the trial along efficiently while making sure everyone has a safe and successful run and gets their time in the ring. Walk throughs will be timed at 7 minutes all weekend long. We will be counting on our volunteers (thank you so, so much!) to help make the weekend go smoothly. Please listen to both the general briefing in the morning and the judge's class briefings for ways we can make the trial run more efficiently.

Site Details:

There are a few rules that we're asking people to follow so that we can use High Goal Farm for future trials. The pond, barn, livestock, woods, and Cerilli house are off limits to anyone at the trial. Anything else that is roped off is also off limits to anyone at the trial. There is a large field on the side of the agility building for exercising your dogs. Dogs not in the warm up area or in the ring must be leashed at all times. No smoking is allowed in the building. No alcohol or drugs are allowed at the trial site. Please clean up after yourself and your dog(s). There will be garbage receptacles for dog waste, cigarette butts, and any other garbage. Please bring water for your dogs. Crating space is limited, so please conserve space by stacking crates if possible and by using only high occupancy x-pens. Please be considerate of folks who will be crating their dogs in their vehicles by leaving the parking spaces adjacent to the building for them. Thanks in advance for complying with the above requests. In addition, please note that the building will be kept at approximately 58 degrees, so come prepared to dress in several light layers while in the building.

CATALOGS:

Only a few copies of the run catalog will be available at the trial. The catalog will be available for download and printing on Wednesday night, January 30th, on www.agiledogs.net and on www.theglensfallskennelclub.com

VOLUNTEERS:

Thanks to all who will be volunteering! All volunteers will get our undying gratitude (because you know we can't host trials without your help!), and will also get the following perks:

- ☑ lunch tickets good at our food vendor
- ☑ Chances at our wonderful worker raffle

Please find and fill in the volunteer schedule board at the site, or find Rosemary Curley, our worker coordinator. You can sign up for as many classes as you want to work!

Please do not worry about conflicts between classes you're working and classes you're running in. All workers will be accommodated. You can move your dog within a class to make sure you have time to concentrate on having a successful run with your 4-footed partner!

If your job for a given class is timer, scribe, assistant scribe, or gate steward, please report to the chief ring steward when the briefing for the class begins, so you can prepare for your job and so the judge can brief you if needed – thanks! If your job is anything not already mentioned, you can report any time before or during the walk through.
