Hello, Exhibitors!

Thank you for entering the July 7-8 USDAA Trial hosted by AgileDogs Agility Training and High Goal Farm. This is your entry confirmation. With your help things will run smoothly and our days will not be long. We hope you will have fun this weekend.

Please note: Please check your individual run information, especially heights, carefully. You have until 6 pm on Wednesday, July 4th to email Chris Penna chris@agiledogs.net move ups and/or corrections. Any changes made after that will incur a \$5 charge per change.

SOME IMPORTANT NOTES:

Site Details:

There are a few rules that we're asking people to follow so that we can use High Goal Farm for future trials. The pond, barn, livestock, woods, and Cerilli house are off limits to anyone at the trial. Anything else that is roped off is also off limits to anyone at the trial. There is a large field on the side of the agility building for exercising your dogs. Dogs not in the warm up area or in the ring must be leashed at all times. No smoking is allowed in the building. No alcohol or drugs are allowed at the trial site. Please clean up after yourself and your dog(s). There will be garbage receptacles for dog waste, cigarette butts, and any other garbage. Please bring water for your dogs. Crating space is limited, so please conserve space by stacking crates if possible and by using only high occupancy x-pens. Please be considerate of folks who will be crating their dogs in their vehicles by leaving the parking spaces adjacent to the building for them. Thanks in advance for complying with the above requests. In addition, please note that the building will be kept at approximately 58 degrees, so come prepared to dress in several light layers while in the building.
